

Vivian Broughton:
International Supervision Group
Utrecht, the Netherlands

Who?

For professionals all over the world working in their practices following the theories and concepts of Franz Ruppert (IoPT), either in individual or in groupwork.

What?

A fixed group of 12 members will come together 5 times a year for two days of supervision with Vivian Broughton. Each member gets the possibility of facilitating another member of the group with his/her intention supervised by Vivian, as well as working with their own intention. There will be space to discuss the theory and practice and reflect on one's own work. The event will be in English.

When?
